Work Experience

UX Designer | Humber Gallery & Nuit Blanche

May 2021 - August 2021

- Collaborating with people from different disciplinary (Music, Industrial, etc.) to create an exhibition for the curated theme - The Space Between Us.
- Conducted a survey to gather information about the given theme.
- Learned to work with new tools such as Unity and Blender. Created .fbx assets for the final artpiece.

Graphic Designer | Quake Toronto

Graphic Designer | August 2020 - February 2022

- Working virtually within a team of designers, strategists and content writers to deliver creative solutions to a variety of clients.
- Creating brand assets, illustrations and case studies.

Graphic Design Intern | June 2020 - August 2020

- Designed and developed a brand identity for Youthful Cities under the mentorship of Quake's founder, Barry Quinn.
- Delivered successfully a brand guidebook, along with merchandise design and a social media template.
